

Alcohol Research Opportunities –

The SDSU/UCSD T32 funded by NIAAA is now accepting applications for 2023-2024 Postdoctoral Fellows!

Our Focus:

- This fellowship is aimed at training entry level postdoctoral scientists interested in conducting research contributing to the understanding of the treatment, biological underpinnings and consequences of alcohol use disorders including prenatal alcohol exposure.
- Mentor-based training with alcohol research faculty including Drs. Edward Riley (Director), Andrea Spadoni (Co-Director), Susan Tapert (Assoc. Director), Sarah Mattson (Assoc. Director), Robert Anthenelli, Sandra A. Brown, Mariana Cherner, Kelly Courtney, Jay Giedd, Igor Grant, Joanna Jacobus, Susan Kiene, Ksenija Marinkovic, David Moore, Sonya Norman, Abe Palmer, Will Pelham, Marc Schuckit, Jennifer Thomas, Natasha Wade, and Tamara Wall.

Resources Provided:

- Mentor-based training with experienced, funded, alcohol research faculty
- Up to 2 years of NIH-level postdoctoral stipend
- Health insurance coverage
- \$2,500 per appointment year toward NIH-eligible child care assistance
- Travel funds to present at the annual Research Society on Alcoholism meeting

Eligibility:

- Citizen or a noncitizen national of the United States (or permanent resident)
- Must have completed doctoral degree requirements prior to appointment to this fellowship
